

All the Rage (Repairman Jack)

All the Rage is the new Repairman Jack novel, a series launched by the 1984 New York Times bestseller *The Tomb*. In *All the Rage*, Jack finds himself fighting against the makers and sellers of a dangerous new street drug called Berserk. The drug brings out the user's most aggressive behavior, gifting the user with a God-like feeling useful in small doses, but also capable of sending a person into a mindless, destructive rage. After checking around, Jack realizes that the drug comes from a most surprising source a source that may have deadly effects on Jack's life and the lives of those he cares most about. It's up to Jack to destroy this source, put an end to Berserk and save countless lives even though it may cost him his own.
