

Find Your Purpose, Change Your Life: Getting to the Heart of Your Lifes Mission

For all those who have been enchanted by the power of synchronicity and are ready to be taken further down the path, Find Your Purpose, Change Your Life offers the next step. Here, Carol Adrienne, coauthor of the New York Times bestseller *The Celestine Prophecy: An Experimental Guide*, provides a practical workbook that shows you how to tap the unsuspected potential of synchronicity -- the force revealed in everyday coincidences -- and use the power of your own intuition. Using dozens of examples from her own life and work, and offering an array of write-in exercises, Carol Adrienne reveals how you can use synchronicity to find your purpose in life and achieve the rewards that come from living in harmony with the soulcode.
