

## The Protocol: A James Acton Thriller (James Acton Thrillers)

FROM USA TODAY BESTSELLING AUTHOR J. ROBERT KENNEDY COMES THE PROTOCOL, A GLOBE-SPANNING, HEART-POUNGING ACTION ADVENTURE TWO THOUSAND YEARS IN THE MAKING! For two thousand years the Triarii have protected us, influencing history from the crusades to the discovery of America. Descendant from the Roman Empire, they pervade every level of society, and are now in a race with our own government to retrieve an ancient artifact thought to have been lost forever. Caught in the middle is archeology professor James Acton, relentlessly hunted by the elite Delta Force, under orders to stop at nothing to possess what he has found, and the Triarii, equally determined to prevent the discovery from falling into the wrong hands. With his students and friends dying around him, Acton flees to find the one person who might be able to help him, but little does he know he may actually be racing directly into the hands of an organization he knows nothing about...
