

China Bride

Hong Kong ... where the new meets the old and the West meets the East. It is the most prosperous modern metropolis in the world, a city besieged invisible to the Western eye, the ancient Eastern philosophies still thrive. In the underbelly of China, appearance is everything, and money crosses all political, moral, and sexual boundaries. Beth Connor, Harvard student and former Olympic runner, travels to Hong Kong to meet her fiancée ultra-wealthy, ultra-traditional Chinese parents. When the young couple are kidnapped by murderous thugs and held for an exorbitant ransom, Beth makes a daring escape. The Chang family refuses to acknowledge her, and the Chinese officials refuse to believe her. She has no choice but to take matters into her own hands, by challenging the Mafia-like Triads who brutally and ruthlessly govern the seedy Hong Kong underworld.
