

Forcing Amaryllis

- FORCING AMARYLLIS provides a new slant on courtroom mysteries. Louise Ure pulls back the curtain on jury consulting: the combination of psychology and marketing that has fascinated the nation in major courtroom battles since the O.J. Simpson trial.- The atmosphere of the Southwest is almost a character in this richly drawn novel, from the descriptions of the heat to the food and the landscape.- FORCING AMARYLLIS marks the debut of a sensational new talent. As a fourth generation Tucsonian, Louise Ure has a deep appreciation of the magic, the mystery, and the legends of the desert southwest, which endows this novel with potent and captivating details.
