

One More Sunrise (Frontier Doctor Trilogy #1)

Countless perils menaced the early settlers of the Wild West - and not the least of them was the lack of medical care. Dr. Dane Logan, a former street waif who has been adopted by a doctors family in Cheyenne, puts his lifelong dream to work filling this need. His renown as a surgeon spreads throughout the frontier, even while his love grows for the beautiful Tharyn, an orphan he lost contact with when he left New York City as a child. Will happiness in love ever come to Dane - or will the roving Tag Moran gang bring his hopes to a dark end?
