

Me and Emma

Narrated with simplicity and unabashed honesty, Elizabeth Flocks critically acclaimed New York Times bestselling novel *Me & Emma* is a vivid portrayal of a child's indomitable spirit, her incredible courage and the heartbreaking loss of innocence. In many ways, Carrie Parker is like any other eight-year-old playing make-believe, going to school, dreaming of faraway places. But even in her imagination, she can't pretend away the hardships of her impoverished North Carolina home or protect her younger sister, Emma. As the big sister, Carrie is determined to do anything to keep Emma safe from a life of neglect and abuse at the hands of their drunken stepfather, Richard. Abuse their mother can't seem to see, let alone stop. But after the sisters plan to run away from home unravels, Carrie's world takes a shocking turn and one shattering moment ultimately reveals a truth that leaves everyone reeling.
