

Gilead: A Novel

The 2004 Pulitzer Prize winning novel
A New York Times Top-Ten Book of 2004
Winner of the National Book Critics Circle Award for Fiction
Nearly 25 years after *Housekeeping*, Marilynne Robinson returns with an intimate tale of three generations, from the Civil War to the 20th century: a story about fathers and sons and the spiritual battles that still rage at America's heart. In the words of Kirkus, it is a novel as big as a nation, as quiet as thought, and moving as prayer. Matchless and towering. *GILEAD* tells the story of America and will break your heart.
