

Gods Gift to Women

A smooth talker. An even better listener. And handsome as heaven on earth. He is Gods Gift to Women. Julian Payne gets into bed with millions of women every night. As an after-hours radio talk-show host, Julian captivates his female audience with his deep voice and sensitive spirit. Women cant get enough: They call in, begging for his advice about love, lust, commitment, and betrayal. Julian provides his listeners with the blunt male perspective, and he always has the right thing to say. But when it comes to his own romantic life, or lack thereof, hes at a loss for words. A widower and father to ten-year-old Samantha, Julian wants nothing more than to settle down again with the right woman. Just when he thinks hes found her in Dr. Terri Ross -- smart, stunning, and with her own counseling practice -- Julian is confronted by a ghost from the past: Olivia Brown, a woman with whom he had a one-night stand. Suddenly Julian finds himself in a situation with a woman whos determined to win him over...or make his life a living hell. Michael Baisdens hottest offering yet, Gods Gift to Women is a compelling tale about the consequences of sex with a stranger.
