

Gotcha (Sisterhood)

THEYRE BACK! Sometimes, justice is a long time coming. Thats the case with Julie Wyatt, whose story strikes close to home for the original founder of the Sisterhood, Myra Rutledge, and her best friend ? and fellow Sister ? Annie. Julie is convinced her greedy daughter-in-law Darlene had something to do with the mysterious circumstances surrounding her son Larrys death. She desperately wants to get a confession out of Darlene ? and to ensure the safety of Larrys daughter, Olivia. As Myra, Annie, and their cohorts dig deeper into Darlenes shady dealings, events unfurl in a way that no one could have predicted, bringing to light the true meaning of loyalty and courage ? and the kind of friendship that can create miracles
