

Sisters In Law

Whose husband is about to play with fire? Sisters-in-law Kate, Heather and Olivia all have one thing in common - they're hiding something. It's not easy being part of the high-achieving Fox family; the expectations and demands of their husbands and children, the jealousies and rivalries, and the endless Sunday lunches. So when mysterious Sasha enters their lives, bloodied from the battlefield of a painful divorce, buried frustrations rush to the surface. Why is Kates partner Jonny working so late at the office? Can army wife Heather trust Jack to come back to her - and will Olivias explosive secret blow her marriage apart once and for all?
