

## The Grundoon

Brian Radkey is the Grundoon, a twenty something Austin lawyer who has never quite come to grips with the death of his little sister. Several years after her death, Radkey finds himself under pressure to betray his own ethical standards at work at the same time that hes falling in love with a beautiful but troubled young woman. As the grief hes held inside starts to seep to the surface, hearts break, shots are fired, and apparently impeccable people surprise themselves with their own bad behavior. But in the aftermath of a series of bitter disappointments, Radkey sees the outline of the rest of his life-along with a chance for redemption. The question is, will he take that chance?
