

Richard III (Arkangel Shakespeare)

[Full-Cast Audio Theater Dramatization. Richard III is played by David Troughton. Saskia Wickham plays Lady Anne, Margaret Robertson plays Queen Margaret, and Philip Voss is Buckingham.] Brilliantly manipulative and entirely amoral, the hero-villain Richard is one of Shakespeares greatest roles. The Yorkists have emerged victorious from the civil wars and Edward IV wears the English crown. But Edwards misshapen brother Richard harbors kingly ambitions and will stop at nothing to achieve the throne. In a fatal battle on Bosworth Field, Richard meets the ghosts of all whom he has murdered and the Earl of Richmond, the future King Henry VII.
