

Ashanti Gold

An African adventure... a golden prize... Its 1970s London and Glaswegian Colin Grant is finally free. After four years at Her Majestys pleasure, Colin needs to make up for lost time, but when his firms next robbery goes badly wrong, he knows its time to move on - fast. A visit to his uncle in Ghana seems a great idea. In Africa, Colin finds a new way of life, new friends, and a land of unbelievable and almost irresistible riches. All he has to do is work out how to fly a planeload of gold out of the country without anyone - especially Major Judas Akaba - finding out.
