

Holy Ghost Corner (Thorndike African-American)

Theresa Elaine Hopson, 46, owner of Miss Thangs Holy Ghost Corner and Church Womens Boutique is puzzled. She cant, for the life of her, figure out why even Baby Doll Henderson, despite her false teeth and her navy-blue-socks-with-yellow-jelly-sandals-wearing self, can find a man and she, Theresa, cant. Therasas been looking all of her life, and it seems like the only thing she finds are things that need to say lost. Like, for example, her on and off friend and sometime escort, the sneaky businessman, Reverend Parvell Sikes. So, when church mother Queen-Esther Green reacquaints Theresa with the older womans backslidden player nephew, Lamont Green, it seems like the same old story. But this time, Theresa decides to listen to God and what she hears soon brings a smile to her face with the realization that the Holy Ghost has been in her love corner all along.
