

Crisscross (Repairman Jack Series)

Repairman Jack is one of the most original and intriguing characters to arise out of contemporary fiction in ages. Hugely entertaining. ?Dean Koontz Repairman Jack is back! Jack can fix any problem, natural or supernatural, for a price. Now, in his next gripping adventure, he takes on two cases at once. The first involves a nun being blackmailed. Whats in those photos, she wont say, but with her meager savings just about exhausted, she hires Jack to help her. The second: an elderly woman needs Jack to find her missing son. Jack must infiltrate the inner reaches of the Dormalist Church, a secretive, globe-spanning cult whose members include some of the biggest and most powerful names in entertainment, sports, and politics. Ruthless in its pursuit of critics and enemies, the Church hides a sinister agenda known only to its ruling elite. But Jack can be ruthless, too, going to darker lengths than ever before as he crisscrosses the two fix-it jobs to settle the deadliest of scores. F. Paul Wilson is a great storyteller and a thoughtful one. ?David Morrell
