

## Doctor on the Brain

On a sunny morning in June, the dean of St Swithans Hospital Medical School is struggling to avoid hypocrisy as he writes the obituary for his fearsome sparring partner, Sir Lancelot Spratt. Yet far from being a funereal and moribund tale, Doctor on the Brain is a fast-moving, hilarious comedy where the jokes are liberally dispensed and the mishaps all too common. The deans pregnant daughter, his wifes tantrums, the physician next door and the mysterious willowy blonde secretary all add to the hilarity seemingly nothing can dampen the medical high jinks of Richard Gordons host of entertaining characters.
