

Sick of Shadows

The book that started it all for Edgar Award winner Sharyn McCrumb's widely acclaimed series featuring amateur sleuth Elizabeth MacPherson. When delicate Eileen Chandler is set to marry, her family fears the man is a fortune hunter. Thank goodness, Eileen's cousin Elizabeth MacPherson comes early for support. Unfortunately, Elizabeth also has some detecting to do, as a dead body is found, and none of the wedding party is above suspicion....A good deal of suspense...McCrumb writes with a sharp-pointed pen.
