

I Like It Like That (Gossip Girl)

Its spring break and love is in the air. Or is that a blend of Chanel no. 9 and Gucci Rush? Is there a difference? Blair moves in with Serena and they're back to being best friends. But will the love-fest last or will they end up tearing out one another's newly highlighted hair? And speaking of new, Nate is on the straight and narrow, playing Nate-in-shining-armor to his crazy new girlfriend, Georgie. But he will definitely get more than he bargained for when he, Georgie, Blair, and Serena end up hanging out together in Sun Valley, Idaho. Back in Manhattan, Jenny is spending time with a mysteriously nice new boyfriend and Dan is spending time crying in the office of the Red Letter literary journal. And Vanessa, wait, is that Vanessa shopping at Barneys with a guy in a Lacoste shirt? The long cold winter is over and the sun is finally shining along Fifth Avenue. The trees are in bloom and NYC's most fabulous are ready for a truly outrageous vacation!
