

## If it is Sweet

In *If It Is Sweet*, precisely etched characters collide, the blind suddenly seeing the blind. Mridula Koshy plumbs the chasms across which they stare, asking the question: what is it people see when they see one another? Her characters are proximate, though from vastly different class backgrounds. Servants and mistresses. Middle-class insomniacs wandering the same footpaths on which labourers wake to care for their sleepless infants. An old man, his maid, and a koodawallah, and a conversation that ends in both insight and blindness. *If It is Sweet* does not set out to transport the reader to another world. It is one rooted in an unsettled world; it intends to unsettle
