

Black Heart Loa

An eye for an eye is never enough. Kallie Riviere, a Cajun hoodoo apprentice with a bent for trouble, learned the meaning of those ominous words when hoodoo bogeyman Doctor Heron targeted her family for revenge. Now, while searching for her still-missing bayou pirate cousin, Kallie finds out the hard way that someone is undoing powerful gris gris, which means that working magic has become as unpredictable as rolling a handful of dice. The wards woven to protect the Gulf coast are unraveling, leaving New Orleans and the surrounding bayous vulnerable just as an unnatural storm the deadliest in a century is born. As the hurricane powers toward the heart of all she loves, Kallie desperately searches for the cause of the disturbing randomness, only to learn a deeply unsettling truth: the culprit may be herself. To protect her family and friends, including the sexy nomad Layne Vallin, Kallie steps into the jaws of danger . . . and finds a loup garou designed to steal her heart literally.
