

Glasgow Fairytale

A breath of fresh air. Original, funny and more than a little subversive - it'll make you laugh out loud... Fairytales happen. They happen in Glasgow. They're happening now. They're happening to TV heartthrob Reggie King, whose magic mirror manipulates him into unspeakable villainy...They're happening to Jack Cameron, who faces losing the love of his life, Rapunzel, and who has unanswered questions about his destiny, and about some magic beans he threw into the Clyde...They're happening to Ella McCinder, who dreams of marrying footballer Harry Charmaine...They're happening to Wee Red Hoodie, who has a decision to make about where her loyalties lie...And they're happening to Karl Snowy White, who is whisked into a topsy-turvy world of freaks and magic, with only the hope of seeing his Love again to cling to. United by the bonds of friendship, and in the face of a common enemy and a dark secret from Rapunzel's past, our heroes find their stories becoming one.
