

Oathen: Legend of the Shanallar Book 2

In her hands, a rare gift wakes. Hoping to record for posterity the destruction of an ancient book of magic, Sanych elTiera sails west with Meena, the legendary Shanallar. Too late, she discovers that Meenas plans for her extend much further than merely serving as the expeditions official recorder. And it has something to do with why Sanychs earliest memories are missing. Worse, the Hand of Power and his army far outnumber her small group of allies, who must brave the cults magic-infested stronghold to destroy the Dire Tome. Trapped between tangled political romance and the Shanallars manipulative demands, Sanych struggles to find herself. When allies new and old gather for a final showdown against the ancient cult, can she live up to the Shanallars expectations and help her save the world?
