

Stripped (Jonathan Stride)

This ambitious follow-up to Brian Freeman's debut novel, *Immoral*, which Michael Connelly called a page-turner of the highest caliber, delivers non-stop action and gut-wrenching intrigue on the streets of Sin City--where you can hit the jackpot, or you can get STRIPPED. They looked like isolated cases: a hit-and-run and a celebrity murdered during a fling with a prostitute. No one could ever imagine they'd be linked to a brutal crime in the city's steamy past and that the race to corner a determined serial killer would stir up secrets long thought buried with the dead. When detectives--and lovers--Jonathan Stride and Serena Dial are called to investigate, they have no idea that they're stepping into a world of sex and money, glamour and vice--where desperate ambition rules and loyalties know no bounds.
