

## In the Meantime: Finding Yourself and the Love You Want

You know where you want to be, but you have no clue how to get there. You know exactly what you want in life, but what you want is nowhere in sight. Perhaps your vision is unclear, your purpose still undefined. On top of it all, your relationships, particularly your romantic relationships, are failing. If these scenarios feel familiar way down in the deepest part of your gut -- then you, my dear, are smack dab in the middle of the meantime. Every living being wants to experience the light of love. The problem is that our windows are dirty! The windows of our hearts and minds are streaked with past pains and hurts, past memories and disappointments. In this book, Iyanla Vanzant teaches us how to do our mental housekeeping so that we can clean the windows, floors, walls, closets, and corners of our minds. If we do a good job, our spirits will shine bringing in the light of true love and happiness
