

In the Kings Name

The 27th Bolitho novel from our greatest living naval writer. It is January 1819, and Captain Adam Bolitho, newly married, makes haste to ship out from Falmouth and leave his beautiful wife, Lowenna, once again. Bound for Freetown, on the old slave coast of Africa, H.M.S. Onward carries sealed orders in the strongbox below deck. But why all the secrecy and apparent urgency? And why Onward, so soon after the Mediterranean, and that bloody action with Nautilus? Mission completed, yet Adam cannot and will not leave. On their way into port, the crew of the Onward spy the debris of an allied frigate, destroyed as if taken by surprise. There are bodies strewn among the shark-infested waters and no enemy in sight. A single word frozen on the lips of the dead. Mutiny. The men begin to question who is friend and who is foe. All is not well aboard the Onward; envy and hunger for power consume some of the crew, but they must band together and risk their lives together, in the name of the King. A searing and gripping tale of trouble on the high seas, and of the weakness of the human spirit, In the Kings Name heralds the return of our greatest living maritime writer and the legendary Adam Bolitho.
