

## Killing Floor (Jack Reacher, No. 1)

All is not well in Margrave, Georgia. The sleepy, forgotten town hasn't seen a crime in decades, but within the span of three days it witnesses events that leave everyone stunned. An unidentified man is found beaten and shot to death on a lonely country road. The police chief and his wife are butchered on a quiet Sunday morning. Then a bank executive disappears from his home, leaving his keys on the table and his wife frozen with fear. The easiest suspect is Jack Reacher - an outsider, a man just passing through. But Reacher is not just any drifter. He is a tough ex-military policeman, trained to think fast and act faster. He has lived with and hunted the worst: the hard men of the American military gone bad.
