

Jigs & Reels: Stories

A New York Times Bestselling Author
Each of the twenty-two tales in this enchanting collection is a surprise and a delight, melding the poignant and the possible with the outrageous, the magical, and, sometimes, the eerily haunting. Whether she's exploring the myth of beauty, the pain of infidelity, or the wonder of late-life romance, Joanne Harris once again proves herself a master of the storytelling trade. Available only in Basic 7.
