

## Modern Classics Keep the Aspidistra Flying (Penguin Modern Classics)

Gordon Comstock loathes dull, middle-class respectability and worship of money. He gives up a good job in advertising to work part-time in a bookshop, giving him more time to write. But he slides instead into a self-induced poverty that destroys his creativity and his spirit. Only Rosemary, ever-faithful Rosemary, has the strength to challenge his commitment to his chosen way of life. Through the character of Gordon Comstock, Orwell reveals his own disaffection with the society he once himself renounced. Enlivened with vivid autobiographical detail, George Orwell's *Keep the Aspidistra Flying* is a tragically witty account of the struggle to escape from a materialistic existence, with an introduction by Peter Davison in Penguin Modern Classics.
