

## Dont Close Your Eyes

Nestled on the shores of Lake Erie, the small town of Port Ariel, Ohio, is a welcome haven for Natalie St. John. Back home for the first time in years, she plans to visit old friends, mend a broken heart, and take a break from her busy veterinarian practice. But her peace is shattered her first night back, when she discovers the murdered body of her friend, Tamara Peyton. Was it a random act of violence...or something personal? The answer becomes clear as Natalie is stalked by the voice of Tamara, whose terrifying phone calls warn her that she too, is going to die. One by one, the people closest to Tamara are being savagely murdered. But neither Natalie nor Sheriff Nick Meredith recognizes the face of the devious killer who walks among them, hiding behind a well-crafted lie. Now, a murderer's deadly act of vengeance demands one more sacrifice-and Natalie has been chosen to pay the price...
