

Having Everything

Philip Tate is a man who has everything -- youth, looks, a beautiful wife and perfect family, a distinguished deanship at Harvard. Having Everything is the story of a nighttime drive that leads Philip to jeopardize it all for a moments flirtation with the forbidden. For on that drive he will collide with the Kizers -- beautiful, troubled Dixie and brilliant, kinky Hal. By stepping, without knocking, into the Kizers house and into the midst of their sad marriage, Philip sets in motion the near ruin -- and perhaps the salvation -- of his entire world. Fierce, ironic, and beautifully told, Having Everything reminds us that sometimes -- in marriage, and in life -- having everything is not enough.
