

## King of the Jews: A Novel

King of the Jews tells the darkly humorous story of I. C. Trumpleman, a man whose fancy determines the fate of others. Chosen as the head of a Judenrat, Trumpleman thrives on the power granted him and creates an authoritarian regime of his own within the ghetto. By turns a con man, charismatic leader and merciless dictator, Trumpleman reveals himself as an extraordinarily complex protagonist. King of the Jews continues to be an extraordinary vision of occupied Poland, and offers stunning insight through the trappings of history to questions of equal moral complexity today.
