

A Fall of Moondust (S.F. Masterworks)

Time is running out for the passengers and crew of the tourist cruiser Selene, incarcerated in a sea of choking lunar dust. On the surface, her rescuers find their resources stretched to the limit by the mercilessly unpredictable conditions of a totally alien environment. A brilliantly imagined story of human ingenuity and survival, A FALL OF MOONDUST is a tour-de-force of psychological suspense and sustained dramatic tension by the fields foremost author. Shortlisted for the Hugo Award, 1963.
