

La Casa De Los Espiritus / the House of the Spirits (Spanish Edition)

Created by teachers and writers, each title in this series provides a complete and thoughtful analysis of several of the most valuable works of world literature. Intended as a starting point for a better understanding and appreciation of literature, each analysis also imparts information about the author, the social and historical background, structure and traditions of literary genres, facts about characters, and a bibliography to encourage further intellectual exploration. Esta coleccion es una herramienta indispensable para el estudio y analisis de obras clasicas de la literatura universal. Los libros de formato agradable y presentacion moderna ofrecen un analisis critico, informacion sobre los personajes y los generos literarios, una bibliografia, y un compendio de la obra en particular junto a un estudio del autor y su epoca.
