# Labels

From the wild sixties to the sexy seventies, they ruled the world of fashion - and fashion ruled them. Mackenzie Gold - outrageous, racy, shocking, yet desperately yearning for what she can never have. Shes fashions pop queen, obsessed with designing the hottest threads on the scene. Mia Stanton - gorgeous, refined, but tormented by the most shattering hang-up a passionate woman can possess. Her designs set trends that reap fame, wealth...and the undying envy of the person who should love her the most. Coral Stanton - uninhibited, unscrupulous, untrustworthy. Shes Mias mother, the hellfire editor of a top fashion magazine, a woman prepared to pay any price to get what she wants. Set against a canvas of free love, passion, ambition and betrayal, LABELS draws you into the world of three women determined to stop at nothing to fulfil their dreams of fashion.
