

## Death Rides Denver Stage (Five Star First Edition Western)

Shortly after the Civil War breaks out, Clee Fahr arrives on the stage to Denver City, Colorado, a city torn by political factions. Eames Jeffords, an old enemy of Clees from the South is buying arms for the Rebels. Born in the North, and with close ties to the South, Clees sympathies are divided. But Jeffords sees Clees presence in Denver as a threat to his cause, and so prepares an ambush that will assure that Clee wont ever give him - or anyone else - trouble. In *Death Rides the Denver Trail*, the conflicting loyalties of the Civil War are brought to vivid memory.
