

Life After Yes: A Novel

Music plays. Dad appears. I walk with him, eyes fastened to the floor. When I look up, something is very wrong. There are three grooms. This is the story of Quinnborn Prudence Quinn OMalleya confused young Manhattan attorney who loses her father on that tragic September morning that changed everything. Now, at an existential crossroads in her life, Quinn must confront impossible questions about commitment and career, love and loss. Her idealistic beau desperately wants a wedding, and whisks her away to Paris just to propose. But then Quinn has a dream featuring judges and handcuffs and Nietzsche and Britney . . . and far too many grooms. Suddenly, her future isnt so clear. Quinns world has become a minefield of mensome living, some gone, and traversing it safely is going to take a lot more than numerous glasses of pinot grigio. *Life After Yes* is a blisteringly honest, thoroughly modern tale of life and love in chaos, marking the arrival of a truly exciting new voice in contemporary fiction.
