

## Arsen: A Broken Love Story

One glance was all it took . . . Im a cheater. Im a liar. My whole life is a mess. I love a man. No, I love two men . . . I think. One makes love to me. The other sets me on fire. One is my rock. The other is my kryptonite. Im broken, lost, and disgusted with myself. But I cant stop. This is my story. My broken love story. Contains mature themes.
