

## In the Key of Life An Activational Journey to the Soul

9 keys to transform the way you perceive yourself and your life. Quantum physicists and biologists are now catching up with what the mystics have known for centuries, You create your reality. Thoughts are energy and have an effect on matter. What if the matter you choose to affect is you and your perception of yourself? You hold the answer to the age old question, Who am I? These activational writings and sacred geometry drawings are the keys to opening to who you truly are.
