

Lost Girls: A Sherry Moore Novel (Sherry Moore Novels)

When Sherry, the blind psychic renowned for her ability to see the last eighteen seconds of a deceased persons memory, arrives in Kingston, Jamaica to investigate a murder, all is not what it seems. Sherry sets out on a frantic hunt for clues from Santo Domingo where she must leave behind her friend and confidant, retired Admiral Garland Brigham, to the remote jungles of Haiti where she confronts a legendary voodoo priest; a man who has abilities eerily similar to her own.
