

Love-shaped Story

A darkly enchanting tale set in Seattle in the 1990s -- the fictional life of Kurt Cobain's childhood imaginary friend! As a little boy, Kurt would insist that his mother set a place at the table for Boddah, his imaginary friend. Two decades later and the rock star Kurt Cobain is found dead from a gunshot wound to the head. Beside his body is a note -- addressed to Boddah. Tommaso Pincio gives life to Boddah and conjures up a darkly beautiful coming-of-age novel, set against the rainy backdrop of Grunge America in the early 1990s!
