

# Vanquish Therapy: A Book of Discovering, Conquering, Overcoming and Becoming

Before one arrives, one must travel. This is the book of self-awareness, self-esteem, and self-acceptance. We must remember that everything is in the mind, in which we have the power to change at any time. To my optimists, pessimists, and realists: always remember... whether the cup is half empty or half full, there is still something in the cup. AND ANYTHING IS BETTER THAN NOTHING. Choose happiness.
