

Maggie Sweet: A Novel

Maggie Sweet has had it! For nineteen years, she's kept house, raised a pair of battling twin daughters, put up with her frugal husband, Steven, humored his impossible mother, and kept her mouth shut. But when Steven spends their life savings on a cemetery plot, it's time for Maggie to take control. With her twenty-year high school reunion just around the corner and her long-lost high school boyfriend back in town, it's Maggie's turn to start turning heads. In the face of small-minded gossips, a surly family, and a meddling grandmother, Maggie must reach deep inside her Southern-housewife soul to become the woman she's always wanted to be.
