

Make Me Yours (Unravel Me)

Emotionally crippled Liz isn't looking for a relationship when she meets delish boy-next-door Cohen. He's several years younger, a volunteer firefighter . . . and a virgin, making him totally off-limits. But never one to back away from a challenge, she develops a close friendship with Cohen while she continues to satisfy her physical needs elsewhere. Even as she spends her evenings in another man's arms, she somehow finds herself curled up in Cohen's bed each night. It's been a long time since she's had a true, honest-to-goodness make-out session, but Cohen's showing her just how much fun not having sex can be. When Cohen is injured in the line of duty, Liz's real feelings for him rise to the surface, and she has to decide if she's willing to take a risk on love after enduring so much heartbreak in the past.
