

## These Old Shades

The Duke of Avon is merely indulging himself when he rescues a handsome youth from a cruel older brother. But what the Duke doesn't know is that this boy will soon engage his heart as well...for physical appearances aside, the lad is actually a young girl. As she blossoms into a stunning beauty, the Duke finds himself drawn to her. Nowhere is the society, the flavor and the cant of the Regency period more knowingly and delightfully portrayed than in the novels of Georgette Heyer. (The Philadelphia Bulletin)
