

## Metro Girl

The brilliantly funny, unputdownable new novel from Janet Evanovich, No. 1 bestselling author of the Stephanie Plum books Alexandra Barnaby knows how to change a guys oil and rotate his tyres. Barney is less proficient in the finding-a-husband department, but, hey, shes got a well-paid job and total control of the television remote, so the single life has its compensations. Too bad shes about to lose it all, thanks to her worthless baby brother, Wild Bill. Hes up to his gonads in trouble after hiring himself out to some shady characters ferrying suspicious cargo to Cuba. Now hes disappeared and Barneys been dispatched to Florida to find him. As if the bugs and heat and bad-hair-day humidity werent enough, Barneys spending her days making the rounds of Bills broken-hearted bimbos. And just when shes thinking things cant get much worse, along comes Sam Hooker, stock-car racer and studmuffin, on the trail of his missing boat, The Happy Hooker. A trail that leads to Wild Bill. And since Wild Bills trail leads to Barney, Sam sets off in pursuit. High stakes, hot nights, murder and crooked deals ensue. Not to mention car chases, car races, car explosions and car sex, as Barney and Sam lay waste to the bad guys and blast their way from Daytona to Key West.
