

Miss Julia to the Rescue: A Novel

Delightful . . . Those who like smiles with their crimes will be satisfied by the latest in the popular Miss Julia series (Publishers Weekly) As we know from her many trips to the New York Times bestseller list, Miss Julia simply cant abide sitting idle. And with young Lloyd moving out and husband Sam off to the Holy Land, everybodys favorite steel magnolia is feeling restless. Maybe its time for that long-delayed home makeover. But before Miss Julia can even pick a color swatch, Hazel Maries new husband, private eye J.D. Pickens, goes missing and police in West Virginia have detained an injured man fitting his description. Meanwhile, a religious cult is out to convert the locals and Miss Julia must pick up the pace to free J.D. and get back in time to stop them.
