

Monstrosity

Blue skies, palm trees, and flawless white sand beaches. Clare Prentiss thinks her new home is paradise, and her brand-new job as security chief at the clinic almost seems too good to be true. It is. Lurid dreams, erotic obsessions, and twisted sexual fantasies aren't the only things that abruptly invade Clare's life. Is someone really peeping into her windows at night? Yes. Are those screams she hears just her imagination? No. Is Clare being stalked? Yes. But not by a man. By a monstrosity. Will the last scream Clare hears be her own?
