

Mount Merrion

Justin Quinns *Mount Merrion*: a gripping family story spanning half a century, in the mould of Jonathan Franzen and John Lanchester. Declan and Sinead Boyle are pillars of society - born into prosperous families, educated at Dublins finest schools, dwellers in a fine house in a leafy suburb. So why are they in so much trouble? Declan wants to serve his country - but he also wants to serve his own ambition. Sinead wonders if she is allowed, in the Ireland of the sixties and seventies, to have ambitions at all. Their son, Owen, seems intent on squandering the advantages of a prosperous upbringing and an expensive education. Their daughter Issie, gifted and attractive, has all the options in the world - and keeps choosing the wrong one. *Mount Merrion*, the dazzling debut novel by Justin Quinn, tells the story of the Boyles from Declan and Sineads first meeting, in the late fifties, through decades of success, failure and tragedy. Set against the brilliantly realized backdrop of a changing Ireland, it is a page-turning drama, a biting satire and a lovingly detailed portrait of a marriage and a family. Taking the form of a family saga, [Quinns] assured debut plays out over half a century - a state-of-the-nation novel as told through the fast-changing fortunes of middle-class married life ... his novel is filled with perfectly judged moments Independent Mesmerising ... The story is a page-turner, and Quinns prose consistently light and controlled Irish Independent A book that people will find hard to put down ... a gripping story Sunday Business Post A great story ... both beautifully written and a well-paced page-turner Irish Times Justin Quinns debut novel is poignant - but it is also fiercely and poetically written, a beautifully observed trajectory of the rise and fall of a society and its assumptions, through the medium of a family story ... This is one of the best books of the year

Evening Herald Exquisite Irish Examiner
Absorbing ... A closely and
sympathetically observed portrait of family
life and Irelands changing face, Quinns
wide-ranging tale culminates in a
conclusion of considerable pathos Daily
Mail An impressively accomplished trip
through forty-odd years of Irelands recent
history ... quite brilliant RTE Guide A
bona fide thumping good read Image An
epic yet intimate account of one family
caught in the maelstrom of recent history
Metro Herald Imaginative and
compassionate ... Mount Merrion is about
how a decent man, anxious to play by the
rules - even if theyre someone elses rules -
can make the sort of choices that may end
up ruining him Mail on Sunday (four stars)
An ambitious take on both personal dramas
and the altering political landscape of
Europe Sunday Telegraph Accomplished
... as a condition-of-Ireland novel it makes
for salutary reading TLS Mount Merrion is
epic and intimate, deliciously observed and
wholly enjoyable. Justin Quinn is a shining
talent. Claire Kilroy
