

Rachel. by Penny Avis, Joanna Berry (Never Mind the Botox)

Never Mind the Botox is a series about four professional women all working on the sale of high-profile cosmetic surgery business the Beau Street Group. Each book reveals how the women cope with one of the most glamorous but challenging deals of their careers, and the dramatic impact it has on their personal lives. With a briefcase in one hand and a glass of wine in the other, can they navigate their way through a surreal world of boob jobs by day and intrigue by night and still keep their own love lives on track? Rachel Altman is a corporate financier with a prestigious accounting firm whos desperately trying to keep on the straight and narrow. Hopelessly led astray by her bar-diving boyfriend, she gets the chance to turn things around when her boss gives her the break shes been waiting for. But when the deal doesnt go as planned Rachel panics, sparking off a chain of betrayal and lies that threatens to ruin both her love life and career. The series can be read in any order.
